- Features & Benefits

Being part of Nest Collective

You may choose between three different formats to be enrolled on Nest Collective's community:

- [Office @ Nest Collective Membership](#)
- [Co-work @ Nest Collective Membership](#)
- [Virtual Incubation @ Nest Collective Membership](#)

Features & Benefits

Any member of the Nest Collective Community has full access to these benefits:

- Usage of the Nest infrastructures and common areas*:
 - Meeting rooms
 - Co-work rooms (whenever there are free desks)
 - Exterior spaces (terraces, balcony)
 - Internal spaces for events (Uptown and Downtown lobbies)
 - Kitchen

* Access and usage of these common spaces is subject to availability. For more information, please visit the [Book Nest's Shared Spaces and Equipment](#) page.

- Usage of Nest's supplies:
 - Television
 - Projector
 - Other supplies necessary for events (chairs, tables, etc...)
- Belong to the Nest Community
 - Access to the Nest communication platforms
 - Easy access and communication to all the network collaborators
 - Access to all Nest business partners
 - Access to all of our internal events
 - Access to our internal training programs/internships
 - Usage of our media channels to support your company's communication activities
 - Access to Nest's partner's discounts and campaigns
 - Mailbox (you can set your headquarters address in our buildings)
- Share business knowledge with Nest Companies
 - Access to experienced founders to help you managing your company
 - Access to partners/suppliers for daily management activities (accountant, lawyers, health and safety at work)
- Share business development activities with the Nest companies
 - Access to technology specialised teams to help your projects
 - Possibility of receiving business opportunities from other companies
 - Possibility to be part of Nest's business development missions
- Helping leveraging new products/events:
 - Possibility to integrate and support events created within the community (e.g.: Sexta à Seis, Zain Talks, Undefined.js)

- A great community to help you leverage side projects (departamento, WoW cardboard, maison bierre, radio baixa, brew! coimbra)

In case you have an Office @ Nest or Co-work @ Nest you also have access to an assigned working space, according to your needs.
